

GlycoAI — Version 1 Architecture Flowchart

All-categories dataset variant

Resources used to build this flowchart

Datasets

- NHANES 2017–March 2020 (Pre-pandemic cycle) — CDC
<https://wwwn.cdc.gov/nchs/nhanes/continuousnhanes/default.aspx?BeginYear=2017>
- NHANES August 2021–August 2023 (Post-pandemic cycle) — CDC
<https://wwwn.cdc.gov/nchs/nhanes/continuousnhanes/default.aspx?BeginYear=2021>

Research papers

- NGSP — Factors that interfere with HbA1c test results
